GENERAL HEALTH CAMP

The Rotaract Club of Velalar College of Engineering and Technology organized a General Health Camp on 04.06.2024 at L-Block Seminar Hall, as a community-oriented initiative aimed at providing essential healthcare services to the general public in and around the surroundings. The event witnessed active participation from individuals seeking medical assistance and guidance. A team of dedicated volunteers from the Rotaract Club collaborated with healthcare professionals to facilitate a seamless and organized experience for the attendees.

Notably, the Head of the Department of Science and Humanities (S&H) at VCET, Thindal, honored the event with their presence. During the camp, various health check-ups were offered, including general medical examinations, blood pressure screenings, and awareness sessions on prevalent health issues. The success of the General Health Camp reflects the commitment of RCV CET to nurturing socially responsible leaders and fostering a culture of community service within its student body.

ROTA TREKKING

The Rotaract Club of Velalar College of Engineering and Technology meticulously planned and executed a captivating trekking excursion, affectionately dubbed "Rota Trekking," amidst the breathtaking scenery of Thirumoorthy Waterfalls in Udumalpet on 10.07.2023. This adventurous endeavor was meticulously crafted with the primary objective of nurturing and strengthening the camaraderie and bonds among the club's esteemed members. As participants traversed through the rugged terrain and lush greenery, they were not only immersed in the beauty of nature but also engaged in meaningful conversations and shared experiences, further solidifying their connections. The trek provided a perfect platform for members to break away from the routine of academic life and forge lasting friendships while exploring the wonders of the great outdoors.
