

**1. Inauguration of Association Activities**

Inauguration activities of FAME & IPE students' chapter for the academic year 2016-'17 was held on 25.07.2016. Mr.V.M. Dhanasekar, Assistant Manager, Global Automotive Research Centre, Kanchipuram was the chief guest. He delivered special lecture on "Global Perspectives on Automobile".

**2. Guest lecture on Applications of Finite Element Analysis**

A lecture on 'Applications of Finite Element Analysis' was delivered by Mr. V. Siva Kumar, Associate Professor, Department of Mechanical Engineering, MAM College of Engineering & Technology, Tiruchirappalli on 29.04.2016. In his lecture, he explained about basic concepts of static analysis, thermal analysis, fracture analysis & stiffness of materials.

**3. FDP on ME 6506 – Dynamics of Machines**

Faculty Development training programme on ME 6506 – Dynamics of Machines was conducted by the Department of Mechanical Engineering during 16 – 18 June, 2016. About 34 faculty members from the Engineering colleges all over tamilnadu have participated. Dr.C.Velmurugan, Prof/Mech, Kumaraguru College of Technology, Coimbatore, Dr.V.Hariharan, Prof/Mech, Kongu Engineering College, Perundurai, Dr.R. Kumaravelan, Prof & Head/Mech, VCET were the resource persons.

**4. Workshop on GD&T**

One day workshop on Geometric Dimensioning and Tolerancing (GD&T) in association with M/S, CADD Centre, Erode on 19.08.2016. The workshop was conducted by the resource persons Mr. K.R. Santhosh Kumar, Centre Manager and Mr. M. Arun Kumar, Senior CAD Engineer. In their lecture, they explained about basics of Geometric dimensioning, Tolerance and its types in morning session. Hands on Training in GD&T was given in afternoon session.

**5. Guest Lecture on Biocompatible Materials and its Applications**

A lecture on 'Biocompatible Materials and its Applications' was delivered by Dr. S. Shankar, Associate Professor, Department of Mechatronics Engineering, Kongu Engineering College, Erode on 09.09.2016. He prefaced his lecture to mold the students in new technological path. He insisted the students to know all new research techniques in Biomechanical field. In his lecture, he explained about human implants, Finite element concepts and biomedical applications.

## **6. Intra Departmental Activity Day**

Various Intra-departmental events were organized on the Activity day on 10.09.2016. Final, Third and Second year B.E. Mechanical Engineering students were participated in the events like Paper presentation, Technical Quiz, Water Rocketry, CAD Modeling.

## **7. Hands on Training on “Applications of Finite Element Analysis”**

Two Day Hands on Training on “Applications of Finite Element Analysis in Mechanical Engineering” was conducted by the Department of Mechanical Engineering during 02-03, Dec 2016. About 35 participants from various institutions all over Tamilnadu have actively participated in the programme.

## **8. FOSSEE Workshop**

The Department of Mechanical Engineering, in association with the Quality Improvement Cell, organized the following workshop

- Workshop on SCILAB on 15.09.2016 - 120 Students and 10 Faculty Members
- Workshop on QCAD on 09.09.2016 - 100 Students and 8 Faculty Members

## **9. Guest Lecture on New Product design and development**

A Lecture on “New Product design and development” was delivered by Mr. N. Charath Chander, Director, MaxCADD, Coimbatore on 12.01.2017. In his lecture, he explained about how the new project idea is created and its applications.

## **10. Workshop on Design Contest**

A one day workshop on “Design Contest” was organized on 08.03.2017. Experts from CADD Centre, Erode conduct the contest for second and third year students. The students were eagerly participated and improved their design skills

## **11. Project Expo on Engineering Innovation**

PROJECT EXPO ON ENGINEERING INNOVATION 2017 was organized on 10.03.2017 (Friday). In this Project Expo, 47 Projects were displayed. Three of them got prize.

## **12. National Level Students Technical Symposium**

The Third National level technical symposium was organized on 11.03.2017. Various events like Technical Paper Presentation, Quiz, Aqua Rocketry, CAD Modelling, Contraption and short film were organized. More than 100 students from other colleges all over India actively participated. In total 88 papers were received and 24 papers were selected and presented during the symposium. Dr. S. Selvakumar, Scientist-SF, SDSC-SHAR, Sriharikota was the chief guest for the Inaugural function.

## **13. Guest Lecture on Industrial Expectations And Gaps**

A Lecture on “Industrial Expectations and Gaps” was delivered by Mr. D. Eragamani, Assistant General Manager & Head/TOM, Carborundum Universal Ltd, Hosur on 03.04.2017. In his lecture, he narrated the preparedness of the students who enter into the core industries.

### **ASSOCIATION ACTIVITIES 2017-2018**

#### **1. SAE-VCET Club Inauguration**

SAEINDIA- VCET COLLEGIATE CLUB was inaugurated on 29.04.2017. Mr.S.Sriraman, Senior Vice President, TAFE Chennai & Chairman SAEISS was the Chief Guest and delivered a lecture on ‘Tractors for Modern Farming’. Dr.P.Navaneethakrishnan Professor & Head, Department of Mechanical Engineering, Kongu Engineering College, Erode explained about various statistics, modern equipment and precision farming in the agriculture field.

## **2. Inauguration of Association Activities**

The activities of FAME (Fabulous Association of Mechanical Engineers) for the academic year 2017-18 were inaugurated on 07.07.2017. Mr.P.Prabhakaran, Design Engineer, Caterpillar India Pvt. Ltd, Chennai was the Chief Guest. He delivered a special lecture on “Design Practices in Industries”.

## **3. CSIR Sponsored Seminar**

A CSIR sponsored National Level Seminar on ‘Modern HVAC Systems for Nearly Zero Energy Buildings’ was organized on 22.07.2017. Dr.R.Velraj, Professor & Director, Institute for Energy Studies, Anna University, Chennai was the Chief Guest and delivered a lecture on ‘Technologies and Innovations to Minimize Energy Consumption in Buildings’. Dr.S.Kalaiselvam, Professor &Head, Department of Applied Science and Technology, Anna University, Chennai and Mr.S.Thirumurugan, Assistant Professor, Department of Mechanical Engineering, Coimbatore Institute of Technology, Coimbatore were the resource persons and delivered lectures on ‘Technologies and Innovations to Minimize Energy Consumption in Buildings’.

## **4. Guest Lecture on CFD for Industrial Applications**

A Guest Lecture on ‘CFD for Industrial Applications’ was organized on 26.07.2017. Dr.P.T.Saravanakumar, Associate Professor, Department of Mechanical Engineering, Sri Ramakrishna Engineering College, Coimbatore was the keynote speaker. He explained about basics of CFD, Fluid flow analysis and its industrial applications.

## **5. TNSCST Sponsored Seminar**

A National Level Seminar on ‘Hydrogen Fuelled Vehicles’, sponsored by Tamilnadu State Council for Science and Technology (TNSCST) was organized during 18.08.2017 and 19.08.2017. Dr.N.Rajalakshmi, Senior Scientist, Centre for Fuel Cell Technology (ARCI), IIT Madras Research Park, Chennai inaugurated and delivered a speech on ‘Hydrogen Production and Storage Technologies’. Dr.C.B.Srinivasan, Associate Professor, Department of Mechanical Engineering, Jansons Institute of Technology, Coimbatore delivered a lecture on ‘Hydrogen as a fuel in CI Engines’. Dr.E.Rajasekar, Associate Professor, Department of Automobile Engineering, Institute of Road and Transport Technology, Erode delivered a speech on ‘Hydrogen fuel cells’.

Around 100 participants from various institutions and industries participated and got benefitted.

#### **6. Special Lecture on Microprocessors and Microcontrollers**

A special lecture on 'Microprocessors and Microcontrollers' was delivered by Dr.P.Brindha, and Ms. M.Parimala Devi, Assistant Professors, Department of Electronics and Communication Engineering for the final year B.E. Mechanical Engineering students on 24.08.2017 & 25.08.2017.

#### **7. Workshop on Impact of CAD software in Engineers Future**

A workshop on 'Impact of CAD software in Engineers Future' was organized on 24.08.2017. Trainers from the CADD Centre, Erode gave a training and demo on CAD software to the students and they felt benefitted.

#### **8. Special Lecture on Introduction to PLCs and their applications in Machine tools**

A special lecture on 'Introduction to PLCs and their applications in Machine tools' was organized on 05.09.2017 for the final year B.E. Mechanical Engineering students. Dr.K.R.Valluvan, Professor, Department of Electronics and Communication, VCET was the resource person. In his lecture, he explained the concepts of PLC and its real time applications.

#### **9. Workshop on 'Engine Health Checkup'**

A workshop on 'Engine Health Checkup' in association with Sri Senthil Autos, Hero Showroom, Erode was conducted on 09.09.2017. The two wheeler engine setup and working methods were explained to the students.

#### **10. Guest lecture on 'Placement opportunities in core Industries'**

A guest lecture on 'Placement opportunities in core Industries' was conducted on 15.09.2017. Mr.I.Subash, Design Engineer, Ashok Leyland Technical Center, Chennai addressed the students on career opportunities.

#### **11. Guest Lecture on Creativity, Innovations and Entrepreneurship for Engineers**

A guest lecture on 'Creativity, Innovations and Entrepreneurship for Engineers' was organized on 18.09.2017. Mr.S.K.Prithviraj, Senior Project Associate, Cognizant Technology Solutions, Coimbatore addressed the students on the Entrepreneurship Opportunities, Leadership Qualities and Team Management.

## **12. Intra Departmental Activity Day**

Various technical events were organized in connection with the Intra Departmental Activity Day on 23.09.17. Final, Third and Second year B.E. Mech. students were actively participated in the events like Paper presentation, Technical Quiz, Water Rocketry and CAD drawing.

## **ASSOCIATION ACTIVITIES 2019-2020**

### **1. ICMR Sponsored National Level Seminar**

ICMR sponsored, One day National level seminar on "Advance Cermet composite for Medical applications" was organized on 02.06.2018. The chief guest Dr. P.S. Sampath, Professor/Mech, K.S.Rangasamy College of Technology, Namakkal has inaugurated the function and Dr. R. Rajasekar, Professor/Mech, Kongu Engineering College, Erode delivered a lecture on the research avenues in the area of cermet ceramic composites.

### **2. ICMR Sponsored National Level Seminar**

ICMR sponsored, One day National level seminar on "Bio materials based 3D cell printing for next generation therapeutics and diagnostics" was organized on 22.06.2018. The chief guest Dr. Rajesh Ranganathan, Professor/Mech, Coimbatore Institute of Technology, Coimbatore has inaugurated the function and Dr.E.Prakash, Professor/Mech, Bannari Amman Institute of Technology, Sathyamangalam, Erode delivered a lecture on recent developments in 3D-Cell Printing for HealthCare.

### **3. FAME Inauguration and Guest Lecture**

The inaugural functions of 'Fabulous Association of Mechanical Engineers (FAME)' and 'SAE India VCET Collegiate Club' for the academic year 2018-2019 were conducted on 13.07.2018 and organized a guest lecture on the topic "Smart Manufacturing / Industry 4.0". Mr.R.Ram Prasad, Senior Manufacturing Consultant – Oracle/SAP, Doosan Bobcat India Pvt. Limited, Chennai was the chief guest.

### **4. ICMR Sponsored National Level Seminar**

ICMR sponsored, One-day National level seminar on "Recent Techniques in Biomedical Waste Management System" was organized on 10.08.2018. Dr. A.Arulmani MD., Assistant Professor, Department of Community Medicine, IRT Perundurai Medical College, Erode was the

chief guest. He inaugurated the function and delivered a lecture on Biomedical Waste Management System. Dr. S.Rajendra Kumar, Assistant Professor, Centre for Sustainable Future, Amrita University, Coimbatore delivered a lecture on Regulations and Acts for Biomedical Waste Management System in India and Dr. K.Kannan, Professor, Department of Chemical Engineering, Kongu Engineering College, Erode delivered a lecture on Treatment and Disposal of Biomedical Wastes.

#### **5. Workshop on GD&T**

A one-day hands on workshop on “Manufacturing Technology-GD&T” was organized on 10.08.2018. Mr.S.Senniappan B.E., CEO-Mech Tech Engg Centre, Coimbatore was the resource person. He explained the importance of geometric dimensioning and tolerancing to the final year students.

#### **6. Special Lecture on CAD Software**

Organized a special lecture on CAD software on 25.08.2018. Trainers from the CADD Centre, Erode gave a training and demo on CAD software to the students and explained the role and importance of design software in industries.

#### **7. SAE Events**

SAE INDIA VCET COLLEGIATE CLUB organized Tier-I events on 01.09.2018 for the mechanical engineering students. Various technical events were conducted on this program. Students had actively participated in various events like Paper presentation, Auto Quiz, Welding, Machining, Mobile Robotics, Business Plan, Material Identification and empower their talents in their respective fields.

#### **8. Intra Departmental Activity Day**

Various Intra-departmental events were organized on the Activity day on 07.09.2018. All students were actively participated in the events like Paper presentation, Technical Quiz, Water Rocketry, Clay Modeling, CAD modeling and Drafting contest.

#### **9. Special Lecture**

Organized a special lecture to the Final year Mechanical Engineering students on the topic ‘Applications of PLC based Controllers in Automotive’ on 15.10.2018. Dr.K.R.Valluvan, Professor, Department of Electronics and Communication Engineering delivered a lecture on applications of PLCs and scope of mechatronics in industries.

#### **10. Guest Lecture**

TNSCST sponsored, One-day National level seminar on ‘Flow Behavior and Texture Evolution of a Lamellar Copper-Silver Composite’ was organized on 29.12.2018. Chief guest Dr.K.Ponappa, Associate Professor/Mech, Kongu Engineering College, Erode inaugurated the

function and delivered the keynote lecture on Manufacturing of Lamellar Copper-Silver Composite. Dr.T.Ramesh Kumar, Associate Professor/Mech, Bannari Amman Institute of Technology, Sathyamangalam delivered a lecture on Flow behavior and texture evolution of a Lamellar Copper-Silver composite and Dr. M.Govindaraju, Assistant Professor/Mech, Amrita School of Engineering, Coimbatore delivered a lecture on the applications and future scope of Lamellar Copper-Silver composite.

#### **11. Career Guidance and Motivational Training**

Organized a motivational training program on 28-31, Dec 2018 and 09-11, Jan 2019 to the third year students. Resource person Mr. P.Anjesh Kumar, Communication and Soft Skill Specialist, Brainwave, Coimbatore trained the students for Placement and Soft skills development. He motivated the students for their career growth and trained the students on improving communication skills.

#### **12. Special Lecture by Alumni (2014-18 Batch)**

An Interaction session on 'Motivation and Personality Development' was organized on 25.01.2019. Mr.K.S.Prince, Junior Assistant (Design), Milekal Engineering, Coimbatore was the resource person, who was our renowned alumni of 2014-18 batch.

#### **13. FOSSEE Workshop**

In association with the Quality Improvement Cell, FOSSEE Club organized a workshop on 'SciLab Software' on 08.01.2019 & 'Libre Office Software' on 28.01.2019. Mr.A.Manojkumar, Assistant Professor/Mech explained about how to use the open source softwares in project report preparations and calculations.

#### **14. CAD Workshop**

As a part of curriculum enrichment, workshop was organized on 'Introduction to AUTOCAD Software' on 28.01.2019 & 29.01.2019 for the first year students. Trainers from the CADD Centre, Erode gave training on AUTOCAD software to the students.

#### **15. Mech Zeal Symposium'19**

A National level Technical Symposium was organized on 16.02.2019. Various technical events were organized on this symposium. Mr.D.Gopalakrishnan, Territory Sales Manager- SCV & LCV, Tata Motors Finance Ltd., Madurai was the Chief guest. Students from various institutions had actively participated in various events like Paper presentation, Quiz, Aqua Rocketry, Junk Yard & Cad Modeling and empower their talents in their respective fields.

## **16. Workshop on GD&T**

A one-day hands on workshop on “Manufacturing Technology-GD&T” was organized on 27.02.2019. Mr.S.Senniappan B.E., CEO-Mech Tech Engg Centre, Coimbatore was the resource person. He explained the importance of geometric dimensioning and tolerancing to the third year students.

## **17. SAE Guest Lecture**

SAE INDIA VCET COLLEGIATE CLUB organized a guest lecture meeting on ‘Mobility Solutions for Future’ on 16.03.2019. The guest speaker Mr. Pradeep Chandrasekaran, General Manager, R&D, Force Motors Limited, Pune MC, SAEISS delivered the keynote lecture on technologies and trends of future mobility.

## **ASSOCIATION ACTIVITIES 2019-2020**

### **1. FAME Inauguration and Guest Lecture**

The inaugural functions of ‘Fabulous Association of Mechanical Engineers (FAME)’ and ‘SAE India VCET Collegiate Club’ for the academic year 2019-2020 were conducted on 12.07.2019 and organized a guest lecture on the topic “Career Opportunities for Mechanical Engineers”. Mr.P.Prithiviraj, Deputy Manager – Quality Function, Royal Enfield (A unit of Eicher Motors Limited), Kancheepuram was the chief guest.

### **2. Workshop on CAD Software**

Organized a workshop to the Third year Mechanical Engineering students on CAD software on 01.08.2019. Trainers from the CADD Centre, Erode gave a training and demo on CAD software to the students and explained the role and importance of design software in industries.

### **3. SAE Lecture Meeting**

Organized a lecture meeting on the topic ‘Simple Innovations as Foundation for Product Design’ on 02.08.2019. Mr.C.Varadharajan, Technical Advisor, HEXDOF Engineering Services Pvt. Ltd, Chennai delivered a lecture on recent innovations and technologies for product design.

### **4. Guest Lecture**

Organized a guest lecture on the topic ‘Industrial Automation’ on 16.08.2019. Mr.K.Pradeeshbabu, Business Development Engineer, Axis Global Institute of Industrial Training, Coimbatore delivered the importance on applications of PLCs and scope of Mechatronics in industries.

## **5. Intra Departmental Activity Day**

Various Intra-departmental events were organized on the Activity day on 21.09.2019. All students were actively participated in the events like Paper presentation, Technical Quiz, Water Rocketry, Clay Modeling, CAD modeling and Drafting contest.

## **6. Guest Lecture**

Organized a guest lecture on the topic 'Industrial Automation' on 26.09.2019. Mr.M.S.Muthusamy, Managing Director, MSM Energy Enterprises, Coimbatore delivered the recent trends in renewable energy technologies.

## **7. SAE Tier-I Events**

SAE INDIA VCET COLLEGIATE CLUB organized Tier-I events on 17.10.2019 for the mechanical engineering students. Various technical events were conducted on this program. Students had actively participated in various events like Paper presentation, Auto Quiz, Welding, Machining, Mobile Robotics, Business Plan, Material Identification and empower their talents in their respective fields.

## **8. TNSCST sponsored- National level seminar**

TNSCST sponsored, One-day National level seminar on 'Artificial Intelligence Techniques and their Applications in Design and Manufacturing' was organized on 21.12.2019. Mr.C.Vengudupathy, Senior Project Manager, Robert Bosch Engineering and Business Solutions (P) Ltd, Bengaluru was the chief guest. He inaugurated the function and delivered the keynote lecture on Applications of AI in Manufacturing System. Dr.B.Meenakshipriya, Associate Professor, Department of Mechatronics Engineering, Kongu Engineering College, Perundurai delivered a lecture on Robotics in Digital Manufacturing Applications. Dr.K.R.Ananth, Professor, Department of Master of Computer Applications, Velalar College of Engineering and Technology, Thindal delivered a lecture on the Artificial Intelligence and their Implementation.

## **9. Guest Lecture**

Organized a guest lecture on the topic 'Mastering Product Design' on 04.01.2020. Mr. Syed Moiz, Managing Partner, Pioneer Design & Engineering Pvt Ltd, Chennai delivered the techniques and procedure to be followed in engineering product design.

### **10. SAE Lecture Meeting**

Organized a lecture meeting on the topic 'Energy Conservation Management' on 25.01.2020. Mr.Thi.Jayansenthilkumar and Mr.K.Thangaraj, External Faculty/Southern Region, Petroleum Conservation Research Association, Chennai delivered a lecture on the energy sources available, their conservation management and its recent technologies.

### **11. MoU Extension Activity on AutoCAD Software**

As a part of curriculum enrichment, workshop was organized on 'Introduction to AUTOCAD Software' on 08.02.2020 & 10.02.2020 for the first year students. Trainers from the CADD Centre, Erode gave training on AUTOCAD software to the students.

### **12. MECH ZEAL Symposium '20**

A National level Technical Symposium was organized on 22.02.2020. Various technical events were organized on this symposium. Mr. K.G. Thirugnnana Suvami, Deputy Manager, High Pressure Boiler Plant, BHEL, Trichy was the Chief guest. Students from various institutions had actively participated in various events like Paper presentation, Quiz, Aqua Rocketry, Junk Yard & CAD Modeling and empower their talents in their respective fields.

### **13. SAE Tier-II Events**

SAE INDIA VCET COLLEGIATE CLUB organized ISS STUDENT CONVENTION Tier-II events on 29.02.2020 for the mechanical engineering students all over the Erode division. Dr.P.Navaneethakrishnan, Chairman and Dr.M.Easwaramoorthi, Secretary, SAEINDIA Southern Section, Erode Division inaugurated the function as the chief guest. Various technical events were conducted on this program. Students had actively participated in various events like Paper presentation, Auto Quiz, Welding, Machining, Mobile Robotics, Business Plan, Material Identification and empower their talents in their respective fields.

## **ASSOCIATION ACTIVITIES 2020-2021**

### **1. FAME Inauguration and Webinar**

The inaugural functions of 'Fabulous Association of Mechanical Engineers (FAME)' and 'SAE India VCET Collegiate Club' for the academic year 2020-2021 were conducted on 11.08.2020 and organized a webinar on the topic "Automotive Braking Systems". The

chief guest was Mr.K.Senthilkumar, Manager-Vehicle Dynamics, Continental Automotive Components Pvt Ltd, Bangalore.

## **2. Five Days Webinar Series**

A webinar series was organized by 'The Institution of Engineers' Erode Local Chapter on the topic 'Recent Trends in Mechanical Engineering' from 24.08.2020 to 28.08.2020 (5days). Day-1: Automotive Interior/Exterior Product Development & Plastics, Day 2: Energy Management in Boiler and Compressors, Day 3: Internal Combustion Engines and Emission Control Technologies, Day 4: Ten Commandments for successful business venture, Day 5: Friction Stir Welding.

## **3. Webinar**

Organized a webinar on 'Career in Oil and Gas' on 01.10.2020. Mr.M.Jayaseelan, Technical director, Haasee Inspection Services, Coimbatore delivered the general ideas on oil and gas refining industries, exports and plant installation guidance.

## **4. Guest Lecture**

Organized a guest lecture on 'Design & Development of systems for Preparation of High Pure Gallium & Indium and their Materials and Devices for Advanced Electronic Applications - A Bird's Eye View' on 20.11.2020. Dr. V.N.Mani, Centre for Materials for Electronics Technology (C-MET), Department of Electronics & Information Technology, Govt, of India, Hyderabad is the chief guest.

## **5. Workshop**

Organized a workshop on 'Design Now workshop on Autodesk Fusion 360 – Design and Drafting on 24.11.2020. Mr. Deviyaprasanth, Senior Technical Trainee, ICT Academy delivered the effective usage of drafting tools in Autodesk fusion 360 software.

## **6. Workshop**

Organized a workshop on 'Design Now workshop on Autodesk Fusion 360 –Modelling on 03.12.2020. Mr. Deviyaprasanth, Senior Technical Trainee, ICT Academy gave an online hands on training for modeling tools available in Autodesk fusion 360 software.

## **7. Webinar**

Organized a webinar on 'Webinar on Career Opportunities for Mechanical Engineers' on 15.02.2021. Dr.R.Kumaravelan, Professor & Head, VCET, Erode delivered the career opportunities in mechanical engineers and given guidance for preparing to core industries.

## **8. Webinar**

Organized a webinar on 'Mechanical Engineering – A Sheer Gear for Tomorrow' on 27.02.2021. Ms.M.Manjula Devi, Research Associate, Vellore Institute of Technology, Chennai delivered the preparation methodology for various competitive examination and job opportunities for core industries.

## **9. Intra Departmental Activity Day**

Various Intra-departmental events were organized on the Activity day by virtual mode on 30.03.2021. All students were actively participated in the events like Paper presentation, Technical Quiz, CAD modeling and Drafting contest

## **10. Drafting Competition**

As a part of curriculum enrichment, an intra department event called "Drafting Competition" on the topic "Art of Mechanical Engineering" was organized on 30.04.2021 for the benefits of students for enhancing the software skills.

## **11. Webinar**

Organized a webinar on "Banking as a Career" on 06.05.2021. Mr. V. Devadoss, Chief Trainer, Edufly Staffing Solution, Coimbatore delivered the job opportunities in banking sectors and government industries.

## **12. Techno Fun Events - Connexions**

An intra-departmental techno fun event called "Connexions" was organized on 08.05.2021 to the students for enhancing the technical knowledge
