

VELALAR COLLEGE OF ENGINEERING AND TECHNOLOGY, ERODE - 12
(Autonomous)

DEPARTMENT OF MEDICAL ELECTRONICS

ASSOCIATION OF MEDIECLETIX

ACADEMIC YEAR 2022-2023

1. Covid Booster Vaccination camp

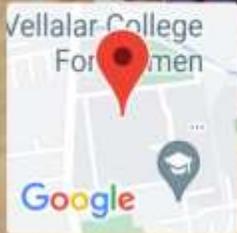

The Department of Medical Electronics and Erode Municipality Corporation (Zone 3), jointly organized “Covid Booster Vaccination camp” on **30.07.2022** from **10:00 AM to 03:00 PM** for VCET staff and students. Respected S.D.Chanrasekar, Secretary and Correspondent, Dr.M.Jayaraman, Principal, Prof.P.Jayachandar, Dean and Mr.N.Periasamy, Manager inaugurated this function. Around 500 members from our college got benefited from this camp.

6. Awareness Programme on Happy Periods and Healthy Uterus

The Department of Medical Electronics has organized an **Awareness Programme on Happy Periods and Healthy Uterus** for our female staff and students on **06.09.2022** from **02:00 p.m. to 04:00 p.m.** Mr. S. Saikumar, Founder and Director of Happy Periods and Healthy Uterus, Dharmapuri, shared his views on menstrual cycle management, women safety, exercise, food habits and usage of napkins. Around 86 participants got benefitted through this programme.

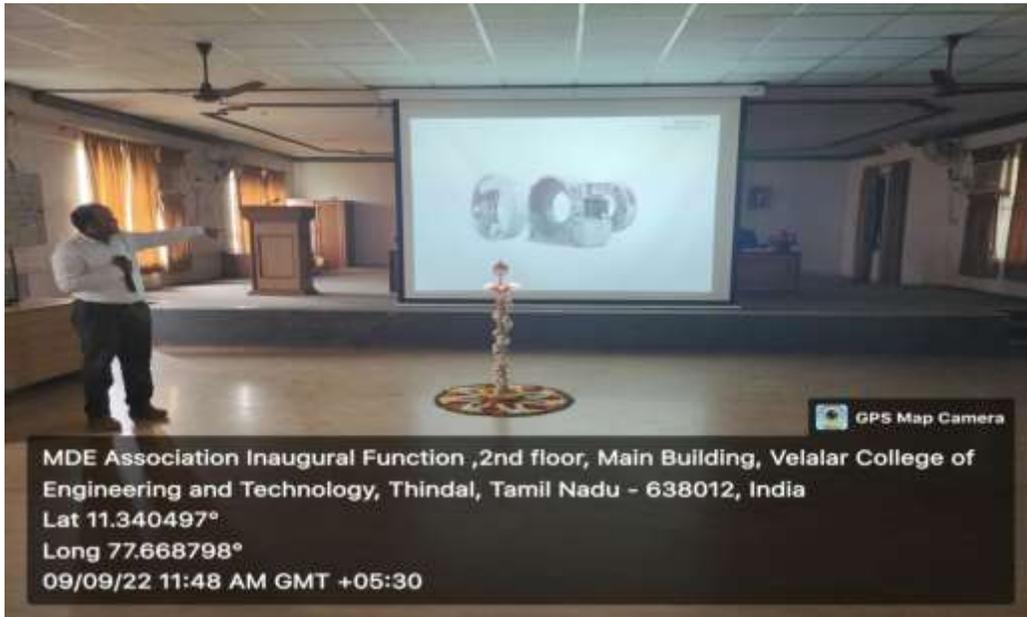

7. Inaugural Function of Students' Association

The Department of Medical Electronics has conducted the **Inaugural Function of Students' Association on 09.09.2022 from 10:30 AM to 12:30 PM**. The Head of the Department **Dr.V.Chandrasekaran** sir introduced the office bearers of the students' association for the Academic Year 2022-23. The Secretary of students' association of MEDIECLETIX **Mr.R.KOUSIK** proposed the action plan for the Academic Year 2022-23. The Principal **Dr.M.Jayaraman** sir felicitated the function. The Chief Guest **Mr.S.Deenadayalan, B.E.,** Manager-Customer Service, Siemens Healthcare Private Limited, Coimbatore briefed about his role and responsibilities in Siemens Healthcare and delivered a lecture on "**DUAL SOURCE AND PHOTON COUNT CT TECHNOLOGY**". Further, he provided tips on placement opportunities and career planning. Around 133 participants got benefitted from his lecture.

8. Med Modeling Contest

The Department of Medical Electronics has organized Med Modeling Contest for VCET Students on 15.09.2022. The students presented models on human organs, functioning of human organs and medical equipments using thermocol, wood, clay, plastic, cardboard etc. Totally 17 teams participated effectively and exhibited their talents. Each model is evaluated by the Juries Dr.P.Ravikumar, Professor, Department of BME, VCET and Ms.K.S.Kausalya Devi, Assistant Professor, MDE, VCET. The prizes were distributed for the best models at the end of the contest.

9. HOW TO CRACK YOUR INTERVIEW

The Department of Medical Electronics organized a Seminar on “**HOW TO CRACK YOUR INTERVIEW**” on 23.01.2023 from 11:00 AM to 03:00 PM for 2nd and 3rd year students of Medical Electronics. The members from ISSM B-School gave inputs to participants on resume writing, aptitude, verbal reasoning, logical reasoning, group discussion, technical interview and HR interview preparation. They also explained about the recruitment process and the importance of communication skills. They also mentioned website and books to be referred for placement preparation. Around 84 participants got benefitted from this seminar.

10. Valedictory Function of Student's Association of Medieclitix, BMESI, Med Tech Club, SBE

The Department of Medical Electronics has organized a “**Valedictory Function of Student's Association of Medieclitix, BMESI, Med Tech Club, SBE**” on **27.04.2023** at **11:00 am** in 2nd Floor Conference Hall, Main Block for all the students of Medical Electronics. Respected Principal Dr. M. Jayaraman and Dean Prof. P. Jayachandar have graced the function.

The Principal had made the gathering so informative with the opportunities that are available for the Medical Electronics Engineers in **AMTZ-Andhra Pradesh MedTech Zone Limited, Visakhapatnam, Andhra Pradesh, India** which is a medical technology park with common manufacturing facilities and common scientific facilities. He also insisted about the areas of placement that includes safety, testing, Biomaterial testing, 3-D Printing, Lasers, MRI, Gamma irradiation etc.,

The students are recognized with the Certificates of “Excellence and Appreciation” for their active involvement and participation in all the activities of association for the Academic Year **2022-23**. It was distributed by the Principal and Dean. They intensified the minds of students to glow up in the future trends.
