## MESSAGE FROM THE PRINCIPAL

It's a great pleasure to see the glory and achievements of students and faculty members who had contributed to the development of our institution. VCET has grown abundantly in the recent past and continues to sustain its growth. People reading this newsletter will realize the tremendous changes that are happening in the VCET campus. This newsletter presents a glimpse of the growth of the institution on many fronts. The college has been simply unstoppable in its progress as it has been actively involved in various activities that have brought to light the hidden talents of the college students and staff. The highly qualified and dedicated members of staff have always stood shoulder with the management and have carried out their duties with a level of commitment. It has recorded achievements in paper publications, patents publications, copyrights, book chapters, national and international conferences attended & presented by faculty members and students, competitions won by highly talented students, innovative projects carried out with the technical guidance of faculty members in this competitive world for their 3600 development. They stand as a witness to the monumental efforts taken by the management to make the college a Centre of Excellence in the field of research and development. I congratulate the VCET team of students and faculty members for their tireless efforts that have come to fruition of this newsletter. I wish it all success and hope that this tradition that has been set by the current students will be carried out by the Gen X generation.

The inaugural function of MAGNUMOPUS and clubs has been conducted on 29.08.2023.

MAGNUMOPUS has organized a seminar on 'Digital Disruption and Disruption in Employability' for fresh ICI Graduates on 28.08.2023.

MAGNUMOPUS has organized a webinar on 'Data Analytics Application: Effective use in Different Industries on 05.09.2023.

MAGNUMOPUS has organized a hands on training on 'Data Science Using Python' on 08.09.2023.

MAGNUMOPUS has organized a workshop on 'Artificial Intelligence' on 20.09.2023.

#### **Placement Activities:**

Ms.Priyadharshini K & Ms.Swethaa J V got placement in Mallow Technologies Pvt Ltd.

Ms.Natchattira T S got placement in lamneo.

Ms.Santhy K B got placement in Checktronic India Pvt Ltd.

Mr.Bhavanishankaran K & Ms.Pangayarkarasi P got placement in ZUCI Systems.

Mr.Gokul S & Mr.Mohamed Mohideen Asdhaque M got placement in One yes Infotech.

Placement training was conducted from 19-June-2023 to 06-July-2023 by Focus Academy for Career Enhancement.

Placement training on soft skill was conducted from 07-July-2023 to 12-July-2023 by Focus Academy for Career Enhancement.

Program on Enrichment of Programming Skills was conducted in the month of August 2023.

Practice test was conducted through Examly Portal.

Akhila Shree K V of third year CSE has successfully completed a NPTEL course on 'Programming, Data Structures and Algorithms Using Python'.

15 students have undergone Internship training in various companies.

A seminar on 'CTF MAX' was handled by the core members of the club to third year students of CSE on 26.07.2023. Capture the Flag competition was conducted among the students so that they can practice and sharpen their skills.

A workshop on 'Amazon Web Services' was conducted on 01.08.2023. The workshop was led by Mr. G. Aravindraj, Founder & CEO of Nminds Academy, Erode.

Hackers Bay Club has organized a seminar on 'CTF MAX 2.0' on 26.09.2023 for second-year CSE students. The programme was conducted to give an introduction about the club followed by 'Capture the Flag' competition.

A seminar on 'Web Development' was conducted on 14.07.2023 for the third year ECE students.

A Guest Lecture on 'Product Fit and Problem Solving' was conducted on 22.07.2023 for the third year ECE students.

Hands on training on 'Web Design using Python' was conducted on 20.07.2023 and 21.07.2023 for the third year ECE students.

Hands on training on 'Photoshop' was conducted on 10.08.2023 and 11.08.2023 for the third year ECE students.

Hands on training on 'Machine Learning using Lobe' was conducted on 02.09.2023 for the third year ECE students.

Value Added Course on 'Application Development using C++' was conducted from 24.07.2023 to 31.07.2023 for the third year ECE students.

Inaugural function of ECE student association - CENIREA & IETE student forum and special lecture on 'How Industrial IoT is Transforming Product Design and Manufacturing' was conducted on 22.09.2023 for all the ECE students.

142 students of final year ECE have attended campus drive by M/s Mallow Technology on 13.07.2023 and Mohamed Rasath.S got placement in it.

141 students of final year ECE have attended campus drive by M/S lamneo, Coimbatore on 17.07.2023 and 3 students got shortlisted for the next round.

73 students of final year ECE have attended campus drive by M/s Span technology, Chennai on 18.07.2023 and 6 students got shortlisted for the next round.

157 final year placement willing ECE students have attended Soft Skills placement training program by FACE Academy from 06.07.2023 to 12.07.2023.

94 students of final year ECE have attended M/s ZifoRnD Solutions on Campus placement drive on 21.07.23 and 11 students got shortlisted for the final round.

77 students of final year ECE have attended M/S Mitsogo off campus drive on 03.08.23 and 3 students got shortlisted for the final round.

77 students of final year ECE have attended M/S Kaar Technology on campus drive on 07.08.23 and Navaneetha Krishnan K got placement in it.

151 attended the assessment test conducted by M/S Kaar Technology on campus drive for 3rd year students on 08.08.23 and Dhanushya J got placed.

136 students of final year ECE students have attended M/S ITC infotech campus drive on 10.08.23 and 35 students got shortlisted for the next round.

157 students of final year ECE have attended M/S Wipro PRP Milestone test and 16 students were shortlisted.

109 students of final year ECE have attended M/S Renault Nissan assessment test conducted on 18.08.2023 and one student got shortlisted for the final round.

35 students of final year ECE have attended M/S. Checktronics on campus drive conducted on 23.08.2023 and 5 got shortlisted for the next round.

106 students of final year ECE have attended M/S Zuci Systems assessment test conducted on 30.08.2023 and 3 students shortlisted for the next round.

140 students of final year ECE have attended M/S One yes Info tech solutions campus placement drive conducted on 01.09.2023 and 2 students shortlisted for the final round.

M/S Hexaware on campus assessment test was conducted for final year students on 05.09.2023 and 8 students got shortlisted.

Kavikannan B, Mounish S R, Narendhiran G, Kavushik Balaji R, Prasath Kumar M and Nandhakishore K of second year have attended a workshop on 'Ethical Hacking' conducted by Kongu Engineering College on 5.04.2023.

Rahul M, Sanjay M, Vigneashwaran R, Sathishkumar J K, Thirumurugan B, Sakthibalajee S, Rohan M, Thirukailash S, Abinaya D, Diya P, Tharun Pranav K S, Vijaykumar P, Kalaiselvi D, Amrutha A, Ushamalini B, Sowmiya S, Vanitha V, Yashmitha S, Jamunadevi L, Dharshavardeni S S, Bharani Priya M, Hemalatha S, Janani D and Anupraba P C of third year ECE have presented their papers under different titles organized by Dr.NGP Institute of Technology, Coimbatore on 26.08.2023.

Sandeep T, Sabareesh S of second year ECE have presented a paper on 'Electrical Vehicle Technology' organized by KSR College of Engineering, Thiruchengode on 01.09.2023.

Sanju V, Sarvesh K, Indhu M G, Sanjay V, Subhika S, Sowndharya K D, Varsha J, Sheeba Mercy D, Arun R, Mathimalar A, Pavithra S and Nithya Shree H of Second year ECE have presented their papers under different titles organized by Sri Ramakrishna College of Engineering, Coimbatore on 04.09.2023.

Devipriya J, Dhanushya B, Devadharshini R, Soundharya G, Subiksha M S, Tarika D of third year ECE have presented their paper under different titles organized by Sri Eshwar College of Engineering, Coimbatore on 08.09.2023.

Jeeva Janani C N, Geetha P G G, Indhu M G, Abinaya S, Bharani M, Dhivya N, Sree Vikashini S, Swetha G and Sowmiga Sri V of second year ECE have presented their papers under different titles organized by SNS College of Engineering, Coimbatore on 12.09.2023.

Indhumathi G, Kavin S and Malar S of third year ECE have presented their project on 'Agriculture Monitoring with Nutrition Management' and awarded with 3rd Prize organized by Dr.NGP Institute of Technology, Coimbatore on 26.08.2023.

Krithish D, Mohan Sundhar Y, Navina S, Meghanath S, Naga Arjun J, Kothanayaki K S, Mukesh P, Kavinraja R, Mathivignesh V, Nivetha B and Lavanya M of third year ECE have presented their projects under different titles organized by Dr.NGP Institute of Technology, Coimbatore on 26.08.2023.

Kavin Raj M, Kavipriya B, Madhu Priya, Mathiyarasan K, Meghanath S and Naga Arjun J of third year ECE have presented their projects under different titles organized by KSR College of Engineering, Thiruchengode on 01.09.2023.

Meghanath S, Naga Arjun J, Prabhakaran M, Mohammed Anaz A, Mukesh P, Kaviya A, Logavarshini N and Saruthika S of third year ECE have presented their projects under different titles organized by Sri Ramakrishna College of Engineering, Coimbatore on 04.09.2023.

## DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

The Association of Electrical and Electronics Engineering EMERFLUX has conducted a five day Hands on Training program in PLC from 12.07.2023 to 18.07.2023. Mr.B.Praveendass, Chief Executive Officer, L&P Renewable System Integrator, Veerapampalayam, Erode was the resource person of this function. Third year EEE student benefited from this program.

Association Inaugural Function & Guest Lecture on 'IOT Embedded Industrial Development', was conducted on 25.08.2023. Mr.R.S.Venkatachalam. B.E., M.S., Managing Director, Wizaard System, Ganapathy, Coimbatore was the resource person of this function.

Students of EEE classes - 22EE03 & 21EE05 – visited ISRO Mahendragiri on 29.09.2023.

Final year EEE student Ms.R.Keerthana got placement in Zuci systems.

Gowri Raja L, exhibited a project 'Hybird Cycle' and won the first prize at Karpagam Institute of Technology, Coimbatore on 05.08.2023 and Dr.NGP institute of Technology, Coimbatore on 25.08.2023.

Ramya B and Sukashini T have presented a paper 'Electrical Vehicle Technology' at K.S.R College of Engineering, Tiruchengode on 01.09.2023.

Gowri Raja L, Sabarinathan M, Presented a Project 'Hybird Cycle' and won First Prize at Kumaraguru College of Technology, Coimbatore on 05.08.2023.

Bala Suriyan V and Prakashraaj V D, presented a paper 'Scripted Vision-Iot' at Sri Krishna College of Engineering And Technology, Coimbatore on 01.09.2023.

12 students from third year attended an Online Lecture Series on 'Electric Vehicles -Vehicle Dynamics, Motors and Controllers', by PALS and Motor Z from 10.08.2023 to 07.09.2023.

Gunalan R, Sasi Anand A and Sharmila G, attended a project presentation on 'Underground Cable Fault Detection using Arduino', at Dr.N.G.P Institute of Technology Coimbatore on 26.08.2023.

Praneeta J, Sathya K, Sajin De Michel K and Naveenraj L, attended project presentation on 'Renewable Energy Sources', at Dr.N.G.P Institute of Technology Coimbatore on 26.08.2023.

Abivashini K P and Anton Vincentraj A, attended project presentation on 'Electric Vehicle', at Dr.N.G.P Institute of Technology Coimbatore on 26.08.2023.

Abinaya R and Sutharshanan M, attended project presentation on 'IoT and its Application in Electrical Power System and Power Electronics', at Dr.N.G.P Institute of Technology Coimbatore on 26.08.2023.

Jayshri K R, Janani N, Rithik S and Shahaana Sri M, attended Project presentation on '5G - The Wireless Technology', at Dr.N.G.P Institute of Technology Coimbatore on 26.08.2023.

Vikesh K C, Aarthi T, Naveen Raj L, Navin K and Sajin De Michel K, participated in 3D Printing and modelling in National Level Technical Symposium at Kongu Engineering College, Perundurai on 11.09.2023.

Anton Vincentraj A, Dhanaseelan S and Balakumar M, attended CATC CUM RD TRAINING III CAMP held at KPR Institute of Engineering and Technology, Coimbatore from 18.09.2023 to 27.09.2023.

# DEPARTMENT OF INFORMATION TECHNOLOGY

The Association inaugural function was conducted on 28.08.2023 for the benefit of all students.

An Orientation Programme on setting Goal Tips was conducted on 07.09.2023 & 08.09.2023 for the benefit of second year students.

A Hands-on-Training on 'Problem Solving Strategies with Java' was conducted on 02.09.2023 & 09.09.2023 for the benefit of second year students.

A seminar on 'The Future of IT Engineering Jobs related to Technologies' was conducted on 09.09.2023 for the benefit of second year students.

A programming contest was conducted on 13.09.2023 for the benefit of second & third year students.

A project contest on 'Innovate as an Engineer - A Model or Idea Presentation' was conducted on 15.09.2023 for the benefit of overall college students.

A seminar on 'Strategies for Attitudinizing Analytical Skills' was conducted on 15.09.2023 for the benefit of final year students.

A workshop on 'Research Article Writing' was conducted on 27.09.2023 for the benefit of faculty members.

A session on 'Career based Java Programming' was conducted on 22.09.2023 for the benefit of faculty members.

A contest on 'Beyond Boundaries - Poster making and Shortfilm Ad' was conducted on 29.09.2023 for the benefit of all students.

Dinesh V C of final year got placement offer in Mallow Technologies.

Karthickrajan V of final year got placement offer in Kaar Technologies.

Kiruthiga S, Subiksha N of final year got placement offer in Span Technologies.

Nandhini J of final year got placement offer in Oneyes solutions.

Suriya B S of final year got placement offer in Zuci systems.

Viswajeth T S R of final year got placement offer in Fleet Track.

Harish C of final year IT attended a workshop on 'JavaScript in Web Development' conducted by CorSQ on 12.07.2023.

Along with the Rotary Clubs of Bhavani Koodal and Erode Emerald, the Rotaract Club of Velalar College of Engineering and Technology had great joy in cleaning up the areas in Bhavani Kooduthurai. The need of keeping our surroundings clean and maintaining clean spaces was emphasised by this significant occurrence among the participants.

### Red Ribbon Club

In connection with Erode Blood Bank and Lions Club, a blood donation camp was held on 23.09.2023. About 60 students donated blood.

'Pasumi Thamizhaga Thinam' was hosted on 24.09.2023 by the Red Ribbon Club (RRC). Nearly 85 students took part in the event. In connection with this, a plant sapling event was carried out at Perundurai SIPCOT in alongwith the Erode Forest Department.

## Faculty Achievements

(Conferences / Workshops / Seminars / FDPs Attended / Papers Presented / Lectures / Key Note Address Delivered / NPTEL Programs Attended)

### DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

Eight programmes were attended by faculty members in the Department of Artificial Intelligence and Data Science

Dr.S.Sadesh wrote the book 'Compiler Design' for Anna University, R2021 syllabus and it was published by The Charulatha Publications, Chennai.

Mr.V. Manoj Praveen wrote the book 'Introduction to IoT Framework' for Anna University, R2022 Syllabus and it was published by Scientific International Publications, Mannarkudi.

Dr.S.Sadesh and Mr.V.Manoj Praveen presented a paper titled 'Cloud Classes Analysis from Satellite Data using Random Forest Algorithm' in the International Conference on 'Computational Sciences and Applied Mathematics' organized by School Of Computer Science, VET institute of arts and science on July 21, 2023.

Ms.Thivya Rajkumar and K.Keerthana presented a paper titled 'Cyber Security during Covid – A Review' in the International Conference on 'Computational Sciences and Applied Mathematics' organized by School Of Computer Science, VET institute of arts and science on July 21, 2023.

### DEPARTMENT OF BIOMEDICAL ENGINEERING

Twelve programmes were attended by faculty members in the Department of Biomedical Engineering.

Dr.S.K.Manikandan and N.N.Baalakumar organised an online Faculty Development Program on 'Curriculum Development for Outcome Based Education' from 11.09.2023 to 15.09.2023 by NITTTR, Chandigarh.

Dr.S.K.Manikandan and N.N.Baalakumar organised a guest lecture on 'Career Opportunities in Biomedical Engineering' by Dr. Nitturi Nareshkumar, Scientist – D, Indian Biomedical Skill Consortium, Andhra Pradesh Med Tech Zone, Vishakapattinam on 14.09.2023.

Dr.S.Sudha, attended a conference on 'Augmented Reality Based Smart Surgical Glass for Medical Surgery', an International Conference on Computing, Communication and Networking Technologies, IIT-Delhi, July, 2023.

Dr.S.Sudha attended a conference on 'DASUIP: Driver Alerting System for Smart Safety Using Image Processing', an International Conference on Computing, Communication and Networking Technologies, IIT-Delhi, July, 2023

Dr.M.Ponni Bala, Dr.S.Mangai, Dr. J. Rajalakshmi and S. Maheswari attended a conference on IoT-based Automatic Harvested Crop Protection and Monitoring System from Rainfall and Animals, DRDO sponsored Two Days National Conference on Advanced Biocompatible Materials and Devices/Systems for Biomedical Applications (ABMDB - 2023) organized by the Departments of Physics and Biomedical Engineering, Sri Ramakrishna Engineering College, Coimbatore, Tamilnadu from 10.08.2023 to 11.08.2023.

Dr. J.Rajalakshmi attended a conference on 'Surveillance System for Long-Range Detection Based on an Ambient Intelligent Roveron', an International Conference on Engineering and Technology at Selvam College of Technology, in September, 2023.

S. Maheswari, Dr. M. Ponni Bala, Dr. J. Rajalakshmi, 'Hybridization of Sector and Extremity Based Segmentation for Early Detection of Osteoporosis', 3rd International Conference on Pervasive Computing and Social Networking (ICPCSN) at Kalaingar Karunanidhi Institute of Technology, Coimbatore, in April 2023. pp.667-673, doi: 10.1109/ICPCSN58827.2023.00116, 2023.

#### **NPTEL:**

Dr.P.Ravikumar and C.Radhika have successfully completed the SWAYAM-NPTEL online course on Introduction to Machine Learning with Elite tag.

Ms.R.Indhumathi has successfully completed the SWAYAM-NPTEL online course on Introduction to Machine Learning with Elite+ Silver (5% Topper) tag.

Ms.M.Sharmila has successfully completed the SWAYAM-NPTEL online course on Introduction to Machine Learning.

Ms.A.Kalyani has successfully completed the SWAYAM-NPTEL online course on Introduction to Mechano Biology.

Ms.P.Georgia Chris Selwyna has successfully completed the SWAYAM-NPTEL online course on Introduction to Mechano Biology with Elite tag.

## **DEPARTMENT OF CIVIL ENGINEERING**

3 programmes were attended by faculty members in the Department of Civil Engineering.

Mr.S.Suresh and Mr.C.Pranesh have successfully completed the SWAYAM-NPTEL online course on 'Global Navigation Satellite System and Application' with Elite + Gold + 1% topper tag.

## **DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING**

12 programmes were attended by faculty members in the Department of Computer Science and Engineering.

Dr.S.Jabeen Begum has presented a paper on 'Spectral Data Classification for Supply Chain Management' in the 5th International Conference on Inventive Research in Computing Applications organized by RVS College of Engineering and Technology from 03.08.23 to 05.08.23.

Dr.S.Russia has presented a paper on 'Augmented Reality based Smart Surgical Glass for Medical Surgery' in the 14th International Conference on Computing, Communication and Networking Technologies, held at IIT-Delhi, in association with IEEE Electronics Packaging Society, on 06.08.2023.

#### **NPTEL Programs Attended:**

Dr.S.Russia and Ms.R.Vidhya have successfully completed the SWAYAM-NPTEL online course on 'Python for Data Science'.

Dr.V.Latha Jothi has secured Elite certification in the SWAYAM-NPTEL online course on 'Design and Analysis of Algorithms'.

Dr.S.Russia has authored the book 'Foundations of Data Science' for Anna University, R2021 syllabus and it was published by Charulatha Publications, Chennai.

Dr.V.Latha Jothi published the book titled 'Distributed Computing' for Anna University R2021 with ISBN 978-93-87950-67-2 in September 2023 published by Lakshmi Publications, Chennai.

Dr.S.Russia acted as a Reviewer at 2nd International Conference on Intelligent Computing Systems and Applications (ICICSA 2023), organized by Department of Computer Science and Engineering, National Institute of Technology Silchar, Assam, India during September 22-23, 2023.

Dr.V.Latha Jothi acted as a Reviewer for the 14th International Conference on Computing, Communication and Networking Technologies, held at IIT-Delhi, in association with IEEE Electronics Packaging Society, from 06.07.23 to 08.07.23.

Dr.V.Latha Jothi acted as a Reviewer for the IEEE International Conference on Networks, Multimedia and Information Technology (NMITCON) organized by NITTE Meenakshi Institute of Technology, Bengaluru on 01.09.2023 and 02.09.23.

## **DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING**

Seven programmes were attended by faculty members in the Department of Electronics and Communication Engineering.

Dr.S.Rajan applied for a research proposal of 'Electronic System for Monitoring the Atmosphere and Fighting Fires for Mining Workers' under Tamilnadu State Council for Science and Technology (TNSCST) on 16.08.2023.

Dr.S.Rajan applied for a research proposal of 'AI-Based Healthcare and Physical Activity Monitoring System for Elderly or Disabled Persons using Wearable Biosensors' under Department of Science and Technology (DST) - Technology Interventions for Disabled and Elderly (TIDE) on 27.09.2023.

## DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Five programmes were attended by faculty members in the Department of Electrical and Electronics Engineering.

## DEPARTMENT OF INFORMATION TECHNOLOGY

Twenty two programmes were attended by faculty members in the Department of Information Technology.

Dr. V. K. Manavalasundaram delivered a guest lecture on 'Education to Industry' conducted by Annapoorana Engineering College on 01.08.2023.

Dr. K. Ganeshkumar delivered a guest lecture on 'Secret of Success' conducted by Annapoorana Engineering College on 01.08.2023.

## DEPARTMENT OF MECHANICAL ENGINEERING

Eight programmes were attended by faculty members in the Department of Mechanical Engineering.

## DEPARTMENT OF MEDICAL ELECTRONICS

Five programmes were attended by faculty members in the Department of Medical Electronics.

Dr. M. Pravin Kumar received appreciation certificate for evaluating the teams in Internal Hackathon 2023 held on 09.09.2023 at VCET, Erode-12.

## DEPARTMENT OF MANAGEMENT STUDIES

Sixteen programmes were attended by faculty members in the Department of Management Studies.

Dr.T.Vetrivel presented a paper in the International Conference on "G20 and Capital Market - An in depth Analysis", in G20 and Socio Economic Development of India organized by KSR College of Arts and Science for Women, Tiruchengode on 07.09.2023.

Dr.T.Mohanapriya, Dr.A.Kannammal and Dr.K.T.Kalaiselvi presented a paper on "Impact of Digital Technologies in AI-powered Mobile Application with reference to Health Care Sector" in the International Conference on Sustainable Innovation in Engineering and Technology" held at Asia Pacific University, Malaysia on 16.08.2023.

Dr.T.Mohanapriya, Dr.A.Kannammal and Dr.K.T.Kalaiselvi presented a paper on "Artificial Intelligence in Business" in the International Conference on "Sustainable Innovation in Engineering and Technology" held at Asia Pacific University, Malaysia on 16.08.2023.

Dr.K.T.Kalaiselvi presented a paper on "Microbial Valorization of Industrial Waste Biomass using Mixed Culture Medium of Microbes and its Economic importance" held at Asia Pacific University, Malaysia on 16.08.2023.

Dr.K.T.Kalaiselvi presented a paper on "A study on India's Digital Payments and their Impact on Consumers" in the National Conference on "Digital Transformation in Business: Opportunities and Challenges" held at Dr.N.G.P Arts and Science College on 05.09.2023. ISBN proceedings No.9788196445546.

Ms. L. Rasiga Priya has presented a paper on "G20 and Tele Communication" in the International Virtual Conference on "G20 and Socio Economic Development of India" conducted by K.S.R College of Arts and Science for Women on 07.09.2023.

Ms. L. Rasiga Priya has presented a paper on "Impact of G20 on Agriculture Sector the Boom of Sustainable Development in Future India" in the International Virtual Conference on "G20 and Socio Economic Development of India" conducted by K.S.R College of Arts and Science for Women on 07.09.2023.

Dr.T.Vetrivel had acted as Resource Person and presented on the Topic "Opportunities for Students and Faculties – Early Stage Entrepreneurs" organized by Institution's and Innovation Council & Entrepreneurship Development Cell in association with Electronics and Communication Engineering Department at VCET on 30.08.2023.

## DEPARTMENT OF SCIENCE AND HUMANITIES

## DEPARTMENT OF MATHEMATICS

One programme was attended by faculty members in the Department of Mathematics.

Ms.D.Shanmugavadivu has attended an International Conference on 'Computational Sciences and Applied Mathematics' organized by VET Institute of Arts and Science on 21.07.2023.

## DEPARTMENT OF CHEMISTRY

Eight programmes were attended by faculty members in the Department of Chemistry.

## DEPARTMENT OF ENGLISH

Two programmes were attended by faculty members in the Department of English.

# Research Activities

## (Journal Publications / Patents / Copy Rights by Faculty Members)

### DEPARTMENT OF BIOMEDICAL ENGINEERING

Mr.K.Rajaram received a travel grant of Rs.57,615 to attend the IAGES Mid-Term Conference 2023 and Fellowship Course in Bhopal.

Dr.J.Rajalakshmi, 'Online Physio Therapy System Using the IoT and Human Gaits Analysis', International Journal of Research and Analytical Reviews, Volume 10, Issue 3, ISSN 2348-1269, DOI: <http://www.ijrar.org/IJRAR23C3497.pdf>, September, 2023 (impact factor 7.17).

Dr.M.Ponni Bala, 'Intracardiac Mass Detection and Classification using Double Convolutional Neural Network Classifier', Journal of Engineering Research, vol.11, No.2A, pp: 272-280, 2023.

Dr.M.Ponni Bala, 'Polycystic Ovary Cyst Segmentation using Adaptive K-means with Reptile Search Algorithm', Information Technology and Control Vol. 52, No. 1, pp. 85-99 DOI 10.5755/j01.itc.52.1.32096, 2023.

Dr.J.Rajalakshmi filed a patent on 'Optimization Planning Models Enhancement in Human Resources Health Management with Foresight' 17.09.2023 and it was published on 06.10.2023.

### DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Dr. S. Gokulraj published a paper on 'Optimizing Pre-Trained Models of Deep Learning for Identification of Plant Disease' International Journal on Recent and Innovation Trends in Computing and Communication, ISSN: 2321-8169 Volume: 11 Issue: 10, September 2023.

Dr.S.Jabeen Begum published a patent titled 'Implementation of Graph-Based Machine Learning Techniques for Just-In-Time Defect Prediction of Manufacturing Units' on 01.09.2023 with application number 202341055409A, Journal No: 35/2023.

Dr.S.Gokulraj registered a design patent titled 'Smart Tablet Vending Machine' (Design No-388995-001, Publication Date: 25/08/2023, Journal No: 34/2023).

Dr.S.Russia published a patent 'Enhancing Smart City & IoT Solutions with Adversarial LSTM & CNN Models' on 01.09.2023 with application number 202341049093A.

Dr.V.Latha Jothi registered a design patent titled 'AI based Apparatus for Skin Disease Detection' (Design No- 383347-001, Publication Date: 13.07.23, Journal No: 28/2023).

Ms.M.Thilagarani published a patent 'Implementing AI Techniques to analyse the Futuristic Trends In Diabetic Retinopathy' on 01.09.2023 with application number 202341055450A.

### DEPARTMENT OF MECHANICAL ENGINEERING

D.Senthilkumar, Dr.R.Kumaravelan have filed a copyright on "Dynamics and Metrology Laboratory Manual" on 14.09.2023 (Reg. No: L-133032/2023).

### DEPARTMENT OF INFORMATION TECHNOLOGY

Mr. C. Saravanan published a paper 'Sleep Disorder Prediction on Polysomnography with EEG Signal using Machine Learning Algorithms', IEEE Xplore ISBN:979-8-3503-2579-9.

Dr. M. Kavitha, Dr. R. Menaka, Ms. V. Gomathi, Ms. P. Prema, Ms. K. Nevedha, Ms. E. Sudha, Ms. M. Ramya and Ms. M. Gowthami published a patent 'Internet of Things based Traffic Signal Control System for Ambulance using Zigbee' Application number: 202341047911 A on 22.09.2023.

### DEPARTMENT OF MEDICAL ELECTRONICS

Dr. Pravin Kumar M published a patent 'Embedded Based Medical Assistant Robot for Hospital' on 22.09.2023.

### DEPARTMENT OF MANAGEMENT STUDIES

Dr.D.Muthukrishnaveni published a book on the topic, "Digital Marketing Methods & Strategies", ISBN 978-93-5757-432-7, published by Scientific International Publishing House in August 2023.

Dr.D.Muthukrishnaveni published a book chapter on the topic, "Role of Social Media Marketing", in the book titled, "Emerging Frontiers: Interdisciplinary Perspectives on Commerce, Economics and Management" ISBN 978-93-89476-39-2, DOI: 10.25215/9389476399, July 2023.

Dr.D.Muthukrishnaveni published a book chapter on the topic, "Cyber Security in Digital Transformation of Financial Sector", in the book titled, "Digitalization of the Indian Financial Sector" ISBN 978-81-19337-00-2, Vol-IV, Edition-1, Page No: 186, August 2023.

Dr.D.Muthukrishnaveni published a patent on the topic, "Artificial Intelligence based Fraud Detection system for Financial Transactions", Application No.202311045225A, Publication Date: 04/08/2023.

## Awards / Recognitions

### DEPARTMENT OF BIOMEDICAL ENGINEERING

Dr. J. Rajalakshmi got supervisor recognition from Anna university dated 13.07.2023 and supervisor recognition ID:4290020. Her areas of specializations are Digital image processing, signal processing and Artificial Intelligence.

### DEPARTMENT OF PHYSICS

Dr. P. Kirithika, Assistant Professor of Physics has successfully completed her Ph.D viva voce for the thesis 'Synthesis and Characterization of Nickel Manganese Tungsten Phosphorous Thin Films for Magnetic Storage Devices' on 28.08.2023 at Velalar College of Engineering and Technology. She has given 4 presentations at international conferences and 3 papers at national conferences. She has also published 3 papers in international journals.

## GLIMPSES OF VARIOUS ACTIVITIES

Youth Red Cross and Green Club volunteers of our college participated in the mega plant sapling camp at Perundurai SIPCOT premises on 24.09.23 in presence of Thiru. Raja Gopal Sunkara I.A.S, District Collector, Erode District, N. Venkatesh Prabhu, District Forest Officer, Erode District, Maru. Manish, IAS., Deputy Collector, Erode District. In this programme, 39 Youth Red Cross volunteers of our college participated. 250 plant saplings were planted in this programme.

EDC Inaugural function and Special Lecture titled “Idea 2 Investment” was organized on 14.07.2023. Mr.Arun Raj Manickaraaj, Associate Vice President, RAIN Start up Investment, Coimbatore, was the resource person.

District Assembly of Rotaractors

Plant sapling at Perundurai SIPCOT in connection with Erode Forest Department on 24.09.2023.
