8. RESEARCH & DEVELOPMENT CELL

The R & D cell has been established to motivate faculty and students to promote research and development activities. This cell encourages faculty to enhance their qualifications particularly towards the research degrees. Thirty five faculty members have obtained Ph.D. and some of them are approved as supervisors to guide Ph.D. Fifty three faculty Members are pursuing research. The cell also motivates faculty and students to register for patents. It encourages technical publications and submission of proposals to funding agencies. Fifty three proposals have been submitted. Six proposals including one funded project DST on "Carbon dioxide Sequestration and Dye Industrial Alkaline Effluent Using Fly Ash" worth Rs.18 Lakhs have been sanctioned. One student has registered for a patent.

ABOUT THE TRUST

This region having been deprived of educational facilities for several decades, many generous persons motivated by their philanthropic urge formed a trust called “Vellalar Educational Trust” which runs this institution. The endeavour of the trust is to provide equal opportunities to the rich and the poor without any discrimination. Since its inception, this trust, endowed with its noble intentions, has been aiming to raise this institution to greater heights in all the spheres, such as academics, sports, placements, institution - industry interaction and so on.

ABOUT THE COLLEGE

Velalar College of Engineering and Technology, one of the best-known self-financing, co-educational institutions aims to achieve excellence in Engineering education, with a strong emphasis on the uplift of rural students who have only limited avenues for higher education. The college has been established by Vellalar Educational Trust in the year 2001, with all in-built infrastructural facilities. It offers excellent quality education in such a manner as to empower the students for facing any challenging environment after they graduate from the portals of the college.

Other Institutions of “Vellalar Educational Trust”

- Vellalar College for Women (Govt.Aided-Autonomous) since 1970.
- Vellalar Matriculation Higher Secondary School for Girls from 1980.
- Vellalar High School for Girls since 2005.
- Velalar Vidyalayaa (CBSE) since 2010.
- Vellalar College of Education for Women from 2005.
- Vellalar Teacher Training Institute since 2006.
- Vellalar College of Nursing since 2006.
- VET Institute of Arts & Science from 2019.
- Vellalar College of Pharmacy from 2018.

5. STUDENT CENTRIC ACTIVITIES

Training and Placement Cell

The college has a dynamic and well-established "Training and Placement Cell" assisted by two Placement Officers along with one faculty co-ordinator from each Department as well as student co-ordinators from each Department.

Placement is the main institutional activity to extend job opportunities to the students with proper guidance. The placement cell interacts with many organization across the country for arranging campus interviews for the placement of final year students.

The Training and Placement Cell arranges career guidance programmes (CGP), soft skills programmes, personality development programmes through external experts. Such programmes are arranged for the students to develop their communication skills and to build their self-confidence. Also training in aptitude and in C, C++ language is arranged to improve their technical knowledge. Before the campus interviews, mock interviews are conducted to enhance the skills of the students and to motivate them in order to enable them to face the interviews successfully. The pre-final year students are also trained with the help of expertise of already recruited final year students.

MOUs have been signed with reputed companies for soft skills, guest lectures, industrial visits, project guidance and recruitments

Placement Officer : **Mr. P.N. Karthik, B.Sc., M.B.A.,**

2. CENTRAL FACILITIES

i) Computer Centre

The whole campus is connected through network and hence the access to software and internet is quite easy to all the students, faculty and staff. The computer center at a cost of Rs. 2.5 crores includes more than 1015 terminals with 12 servers and high speed broadband internet access facilities.

ii) Internet Facilities

Ubiquitous Wi-Fi across VCET campus with 500 Mbps bandwidth is a very positive and exciting experience for the students, faculty, staff here and visitors to this institution. Wi - Fi access points have been installed at the college main campus and the hostel; the students and the faculty can access Wi-Fi so that they have instant access to email, the internet and other IT services anytime and anywhere on campus.

Loss of Books

- ❖ Loss of books issued, if any, should be reported to the librarian immediately in the prescribed form.
- ❖ If the borrowed book is lost, the borrower should either replace a new copy of the book or remit twice the amount present market value of the book as fine.
- ❖ Any unauthorized activity by the student such as exchange of library cards, removal of pages, figures, and stealing will be strictly dealt with. The punishment could be even to the extent of expulsion from the college.

General Conditions

- ❖ No user shall deface the library books by underlining or scribbling notes etc. in the margins or elsewhere.
- ❖ Library books are assets of the college and hence it is the responsibility of all members to protect the library books against wanton and willful damage, mutilation, theft or any other malpractices.
- ❖ Photocopying of some pages from the books may be allowed at the discretion of the Principal after obtaining the permission of the Principal and on payment.

v) Conference Halls & Auditorium

- ❖ There are 3 conference halls and an auditorium with ample seating capacity to conduct seminars, symposiums, conferences, meetings etc.
- ❖ There is a 1500 seater auditorium with the state of the art facilities for the conduct of all cultural festivals and college functions.

vi) Physical Education

The Department of Physical Education encourages the students to participate in games and athletics to improve their acumen in sportsmanship. Facilities for Basket Ball, Volley Ball, Foot Ball etc., can be utilized by the students regularly. Besides these, there is provision for playing Table Tennis, Carom, Chess etc. The college also has a gym facility.

- D The Staff / Students shall return the books as and when they are called back by the librarian.
- D Before borrowing the book, the member must make sure that the book lent is in good condition and the pages are intact.
- ❖ Any book if in the opinion of the Librarian is not in good condition, will not be issued.
- ❖ If the book lost or damaged is one in a set and if not separately obtainable the student shall replace the whole set or pay the value thereof. Before leaving the counter, one must satisfy himself/herself as to whether the book lent to him / her is in good condition and if not, he / she is liable to be held responsible for the replacement of the book with a new edition.
- ❖ If a book is not returned on or before the due date, another book will not be issued,
- ❖ Six books for each UG student and 7 books for each PG student are issued, while the faculty and staff are given books as and when they require.
- ❖ Books (Dictionaries, Encyclopedias, Year Books, Manuals, Tables, Question Paper etc and other reference materials) in the Reference Section will not be lent at any cost.
- ❖ New arrivals will be kept in a special rack for about 10 days. They will not be issued during that period.
- ❖ Members should not write on or make any mark or damage any book or back volume belonging to the library.
- ❖ Loss of ID Card shall be reported immediately to the Librarian in the prescribed form available in the library enquiry counter to enable the Librarian to lock the ID numbers.
- ❖ Duplicate Bar-coded ID Card may be obtained from the office on payment of Rs. 100/-
- ❖ Even if duplicate ID card is issued, the members will continue to be responsible for any loss arising from the misuse of the lost ID card and the library will not accept any responsibility in this regard.

VCET has a dedicated internet leased line of 500 Mbps, connected throughout the campus. The internet connection is distributed across the college through Wi-Fi networks. IP based bandwidth allocation has been carried out by grouping the users with dynamic time and need based bandwidth allocation. MAC and IP address mapping are employed to resolve IP address conflict.

The Server is based on Mikrotik Cloud Control Router (CCR) has been configured as a firewall router using Programming in order to restrict the unauthorised sites.

iii) Internal Quality Assurance Cell

Introduction

As per the guidelines of National Assessment and Accreditation Council (NAAC), the establishment of Internal Quality Assurance Cell (IQAC) is a mandatory requirement for all NAAC-accredited institutions. The IQAC of VCET has been consistently and actively involved in quality sustenance and quality enhancement activities.

Objectives

The objectives of the IQAC are to

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the University.
- To promote measures for the institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Benefits

IQAC will facilitate and

- Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement;
- Ensure internalization of the quality culture
- Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices
- Provide a sound basis for decision-making to improve institutional functioning
- Act as a dynamic system for quality changes in HEIs
- Build an organized methodology of documentation and internal communication.

Monitoring Mechanism

The institutions need to submit yearly the Annual Quality Assurance Report (AQAR) to NAAC. A functional Internal Quality Assurance Cell (IQAC) and timely submission of AQARs.

iv) Library

The Central Library and Information Center is fully computerized, with bar-coding facility. The library which was started with an initial stock of 4,339 books in the year 2001, has the total no. of 70,192 volumes with 19,681 titles of text and reference books now. The library subscribes to 263 periodicals (157 National journals and 25 Magazines and international journals 81). Apart from this, 6286 no. of back volumes, 208 e-Journals and 5330 CDs related to various fields are available. Most of the Library functions such as issuance, return, reservation and searching of books have been automated. The total area of the library is 11 97.86 sq. m. Apart from this, each department has its own department library.

➤ DIGITAL LIBRARY

The Library has a large and constantly growing collection of online resources such as databases, e-journals, e-books, and so on. These e-resources are accessible anywhere within the campus at any time. We are using IP Based Campus wide unlimited access. We can download full-text of resources from the following e-resources.

1. IEEE ASPP ONLINE

2. DELNET

SPECIAL FEATURES

- ❖ Fully computerized library information system with bar coding of books, periodicals and ID Cards to enable laser scanning of issue, return and stocktaking.
- ❖ Digital Library with Scanning Facility, Internet Access, E-Journal Access, CDROM Facility, Reprography (Photo-copier Facility), Web OPAAC, User interactive information Browser provides access to Digital Copies of books and references and it links with Academic Network-DELNET.
- ❖ User-friendly online enquiry system for catalogue search and personal account.
- ❖ Separate section for Text and Reference books, Periodicals and Digital Library.
- ❖ Our institution is a member of DELNET, BMESI, ISTE, IPE, CSI and IEI
